A WORD FROM THE PASTOR

Greetings,

It is my great joy to share with you, Shady Grove family. I remember you always as I go before our God in prayer. I am thankful to God for the high honor of shepherding you, His flock. This has been a year where we have with great emphasis sought to R.E.A.C.H. There are many challenges that we are faced with in this community such as poverty, broken homes and violence, just to name a few.

However, it is a community that is also filled with much potential. It is my constant prayer that we will continue to engage this community with our visible presence and vital prayers. God has equipped us with the wherewithal to spread His love to His people in a very intentional way. I encourage you to not be weary in well doing because in due season you shall reap if you faint not. God bless and keep you always is my sincere prayer.

Your Servant,

Pastor Hall

NEW MEMBER ORIENTATION

The intent of the New Members Class is to help ensure they are not disillusioned by what they may encounter as new members of this local church body. The facilitators ensure they are aware of the covenant relationship we are to have first with God and with each other, which affords us certain privileges, rights and responsibilities.

We also ensure that they understand the implications of those rights and responsibilities because sometimes depending on the situation, our theology may be a little off, our religion may be a little taxed or our behavior may be a little unbecoming.

Those are the times when we are called to exhibit the love of Christ. We then remind them that Love covers a multitude of faults (Ours and Others).

****Each member is required to complete a 4-week orientation.**
